## Valentines Day Show - Tell Us How Much Do You Love Your Miami Dolphins!!!

We started with some Valentine's Day music, well the Partridge Family at least. Ralph Lanier Jr. joined us again and for the first time as NFL Director of Fandemonium. He told us about his day at the Super Bowl and it sounded like a perfect day for a fan of football!

**Jenny Ortiz joined us as well. She is a former Miami Dolphins cheerleader and has a cake decorating business called Tea Time Cakes. She is an artist and if you live in the Miami area and need a cake for a special event, you MUST call her!**

Julie Kick was back this week, but Casey was off. Next week we should have the whole crew back! Lot's of fun scheduled all through the off season!
